Testing and Grading Procedures

The following procedures outline the assessments and grading criteria used to evaluate student progress and mastery of course material in the 600-hour program:

1. Theory Exams: Students are required to achieve a minimum score of 75% on each online theory exam. These exams are administered at the end of each theory module.

The following grading scale is used for theory progress:

A = 90 – 100% B = 80 – 89% C = 75 – 79% Failing = Below 75%

2. Final Exam 1: This comprehensive exam covers fundamental barbering topics such as anatomy and chemistry. A minimum score of 75% is required to pass.

4. Final Exam 2: This written exam assesses knowledge of all theory instruction, Florida state laws, and other topics pertinent to the state cosmetology exam. A score of 75% or higher is necessary to pass.

5. Clinic Practical Skill Assessments: Progress in practical skills and theory hours will be tracked weekly via the Milady app by the Director. Completion of all practical assessments is mandatory for program completion.

Attendance Policy

Attendance

To fulfill the 600-hour requirement for State Board Restricted Barber, all students must attend classes regularly. Daily attendance is mandatory, and the instructor will keep track of attendance. If a student is absent, they must arrange to complete any assigned makeup work. Failure to do so may lead to incomplete or failing grades. Students who are unable to attend class should inform the Academy as soon as possible. Accumulating three (3) unexcused absences within a 30-day period will result in a probationary period of 30 days or less.

Tardiness

Students are expected to arrive on time and ready to learn, as late arrivals result in missed instruction and disrupt the class. A student is considered tardy if they arrive more than 5 minutes after class has started. If a student is tardy three (3) times, this will be recorded as one unexcused absence (resulting in loss of hours), and the instructor will provide counseling. Further tardiness will require the student to make up any missed hours and work at a time arranged with the instructor.

Make-up Hours

Students are responsible for making up any missed hours within the contracted timeframe. If the 600 hours are not completed by the contracted deadline, the student will be required to pay an additional \$250 for each week of makeup training hours.

Satisfactory Progress

Factors for assessing a student's progress toward satisfactory program completion include maintaining:

1. A minimum cumulative theory grade of 75% (C) or higher.
2. A minimum cumulative score of 75% (C) or higher on practical skill assessments.*
3. To evaluate if a student fulfills the academic requirements for satisfactory progress, both theory and practical grades are averaged to produce a cumulative academic grade of at least 75% (C).
4. A minimum attendance rate of 80% of scheduled hours.**

*Note: To meet state practical graduation requirements, students must complete all assigned practical skill assessments. Upon satisfactory program completion, students will be awarded a diploma of completion from the 600-hour Restricted Barber program.

Student Services

1. Housing: Next Level Barber School maintains a file of information regarding available housing options in the surrounding area.
2. Academic Advising: Students receive academic counseling and additional support as needed. The school also provides guidance and information on financial aid opportunities, licensure regulations (including reciprocity among jurisdictions), resume and job search assistance, and options for continuing education after graduation.
3. Mental Health Counseling: If necessary, the school can refer students to professional mental health services and maintains records of such referrals.
 - Referrals to mental health professionals
 - Support for students with disabilities

Suspension, Termination, and Additional Fees

Students may be suspended or dismissed from enrollment at the discretion of the School for reasons such as, but not limited to, violating school rules or policies, leaving the school premises without permission during scheduled program hours, failing to attend for 14 consecutive calendar days, not completing practical worksheets, missing theory classes or tests, not meeting the School's Satisfactory Academic Progress standards, nonpayment of tuition or charges when due, or acting in a manner that disrupts the classroom environment or compromises the well-being of fellow students, faculty, staff, visitors, or school property.

Students may be required to participate in coaching sessions for noncompliance with certain policies. After five (5) coaching sessions, a student may face a five (5) day suspension. Suspended students will be charged an administrative re-entry fee of \$100. If a student receives two (2) additional coaching sessions after re-admission from a suspension, their enrollment may be permanently terminated by the School.

At Next Level Barber School, we are committed to supporting our students' academic success. If a student believes there has been an error or extenuating circumstances that have affected their academic progress or grades, they have the right to file an academic appeal.

Grievance Procedures

This procedure is for handling written complaints not covered by the school's Protected Class Non-Discrimination and Anti-Bullying policies. It applies to grievances a Future Professional feels remain unresolved against other students, staff, or third parties. Complaints should be submitted using the Grievance Form, available from the School Director, within two (2) business days of the incident, and must include details such as dates, times, involved parties, witnesses, and a description of the incident. All complaints are maintained confidentially in the Director's office and will be investigated, typically within fourteen (14) days. The School will make every effort to respect confidentiality requests but cannot guarantee complete anonymity if it hampers the investigation.

Handling of Allegations

1. The student submits the Grievance Form to the School Director.
2. The Director or designee reviews the complaint for merit and proper filing; if another policy applies, it may be transferred accordingly.
3. If valid, an initial inquiry is conducted. The complaint may be dismissed, resolved amicably, or escalated to a formal investigation. The decision is at the Director's discretion and is not appealable.
4. An amicable resolution involves working with involved parties to find a mutually acceptable solution. If accepted, it will be implemented; if not, the matter may proceed to investigation.
5. During investigation, relevant information is gathered, and a brief outcome report is prepared. Outcomes are shared with the complainant and involved parties in accordance with privacy laws.
6. No retaliation is permitted against anyone filing a complaint. If retaliation occurs, a new grievance may be filed.
7. Decisions are final unless they involve termination, in which case the student may appeal under the Code of Conduct.

Students may also file complaints with the Florida Department of Education or the accrediting agency. Contact information for filing with the Florida Department of Education is:
